## BORDERS:

### Border 1

1. Using the Blender Navy Border 1 2" x 72-1/2" strips, sew to both sides of the Quilt Top Center.
2. Then, sew on Border 1 2" x 67-1/2" strips to the top and bottom of Quilt Top Center.

### Border 2

Prior to adding Border 2, find a video online showing how to miter borders. There are many to choose from. Do not trim the length of the borders until after mitering. If you don't want to miter the corners, you can cut and measure them to fit.

1. Sew the Stripe 9" x 99" Border 2 to both sides of the Quilt Top Center.
2. Then, add the Stripe 9" x 90" Border 2 Top and Bottom and miter each corner. At this point the quilt top should measure 84-1/2" x 92-1/2".

## FINISHING:

1. Layer quilt top with batting and backing.
2. Baste and Quilt.
3. Bind with the binding strips.
4. Don't forget to put a label on your quilt.
5. Enjoy!
