BORDERS:

Collectible Store Blocks:

The goal of the 2024 All Texas Shop Hop is to visit as many of the fabric shops, which are featured in the event magazine, as possible - and gather the free Collectible Store Blocks (CSB). Each block measures 4" square finished (or 4-1/2" square unfinished). Should you not have all CSB, shop hop fabric substitutions may be made. Use a 4-1/2" square in place of a CSB. Additional fabric may be required based on the quantity of substituted CSB.

- To achieve the necessary length for each border, place [2] fabric strips RST. Sew seam across the short end. Press.
- Measure length. Add an additional strip(s) if necessary to achieve desired length.
- Trim excess fabric.

Inside Border

Using Armadillo fabric, create:
[2] sides 2-1/2" x 56-1/2"
[2] top/bottom 2-1/2" x 60-1/2"

Optional Middle Border

[64] Collectible Store Blocks, create
[2] sides using [15] CSB: 4-1/2" x 60-1/2"
[2] top/bottom using [17] CSB: 4-1/2" x 68-1/2"

Outside Border

Using Signs fabric, create:

[2] sides 4-1/2" × 68-1/2"

[2] top/bottom 4-1/2" × 76-1/2"

Optional: You can omit the Middle Border comprised of the CSB and just have the Outer Border of Signs fabric. Made this way the quilt would measure 68" square.

[2] sides 4-1/2" × 60-1/2"

[2] top/bottom 4-1/2" × 68-1/2"

When attaching borders to the quilt top, it is important to be careful not to stretch the fabric. A wavy border will result. Measure and mark four equal sections of each border. Repeat for the section of the quilt top. Simply lay the border on the pressed quilt top matching the sections and pin to position.

1. Attach side borders. Press.
2. Attach top and bottom borders. Press.
3. Repeat the process for each border.

FINISHING:

1. Layer quilt top with batting and backing.
2. Baste and Quilt.
3. Bind with the binding strips.
4. Enjoy!
